EXECUTIVE DIRECTOR  
T. Austin Ragione

In response to your letter of July 6, 2001, the above referenced committee assigned a new treasurer approximately mid-year 2000. Former treasurer: Robert Stacey. Current treasurer: Margaret Kirkpatrick.

If this letter is sufficient notice regarding the change in treasurer, then all the amendments and reports noted in your letter of July 6, 2001, should be complete as filed.

If there is other paperwork required to change your records, please notify me and I will be certain this is cared for.

Sincerely,

Susan C. Matthews  
Financial Administrator for
